

## The Most Advanced QuickBooks

QuickBooks Enterprise Solutions has advanced functionality to meet your business's complex needs—with the same ease and familiarity of QuickBooks.

## 5 REASONS Why QuickBooks Enterprise Solutions is the Right Solution for You

- 1 Enhanced Reporting Customization**
  - Leverage enhanced built-in reports or combine reports from multiple company files<sup>1</sup> to get a comprehensive view of your business
  - Create custom reports with ODBC-compliant applications using a new direct connection to the QuickBooks database<sup>2</sup>
  - More custom fields for customers, vendors, employees and items allow you to capture, track and report on the data unique to your business
  - Easily create professional financial statements with Intuit Statement Writer (included)<sup>3</sup>
- 2 Sophisticated Inventory Capabilities**
  - Track the quantity and value of inventory in multiple locations right within QuickBooks using new QuickBooks Enterprise Solutions Advanced Inventory<sup>4</sup>
  - Change assembly components and quantities on the fly to make substitutions or accommodate special customer requests
- 3 More Productivity Tools**
  - Work in two company files at the same time<sup>5</sup>
  - Perform more tasks in multi user mode including adding inventory, delete list items, and change sales tax rates
  - Enable multiple users in remote locations to simultaneously work in QuickBooks using Microsoft<sup>®</sup> Remote Desktop Services<sup>6</sup>
- 4 Expanded User Controls**
  - Restrict user access to individual reports, bank accounts, lists and activities
  - Use Audit Trail to protect you against employee fraud and detect employee errors by recording transactions entered, edited or deleted from the system—with no impact on product performance
- 5 Room to Grow**
  - Scale from 5 to up to 30 simultaneous users<sup>7</sup>
  - Track hundreds of thousands of customers, vendors and inventory items—get six times the capacity of any other QuickBooks product<sup>8</sup>

### Peace of Mind

**Full Service Support & Upgrades.** The QuickBooks Enterprise Solutions Full Service Plan<sup>18</sup> is included in the first year, giving you exclusive access to our U.S.-based team of product experts, unlimited technical support, upgrades, online backup and data protection.

**Seamless Transition.** The advanced capabilities of QuickBooks Enterprise Solutions 11.0 look and feel just like the QuickBooks you use today, alleviating the downtime typically experienced when learning software solutions. And moving your data up to QuickBooks Enterprise Solutions is as easy as any other upgrade.

### What Customers Say

**Advanced Functionality**  
 "Our inventory is very, very complicated, with over a thousand different models. QuickBooks Enterprise Solutions does a great job helping us keep everything about our 200,000 item inventory accounted for—so we never run short or have too much stock on hand." *Jeff Cooper, President/Chief Executive Officer, Remotes Unlimited*

"The software has very comprehensive security features, so you can actually design profiles for different users, to give them access to specific functions. That's really powerful stuff that you would expect to cost in the tens of thousands of dollars, rather than \$3,000." *Emile Amarotico, President/General Manager, Standing Stone Brewing Co.*

**Ease of Use**  
 "I was totally amazed by how easy it was to convert our data to QuickBooks Enterprise Solutions. The whole process was very smooth. And once we got started using Enterprise Solutions we quickly realized that it's a lot better than what we were using before." *Penny Penrose, Controller, CyberCity*
